

2008
ROSE
Little Red

NOW THIS IS HOW A ROSE WINE IS SUPPOSED TO TASTE. THE 2008 LITTLE RED SAW LITTLE SKIN CONTACT AS MOST OF THE JUICE IS THE BLEED-OFF OF GRENACHE, PINOT NOIR AND CABERNET SAUVIGNON PASSING OVER THE SORTING TABLE. THE JUICE WAS THEN SETTLED AND RACKED INTO ANOTHER TANK FOR FERMENTATION. AROMAS OF STRAWBERRY JAM DOMINATE THE NOSE WHILE GUAVA AND KIWI REPRESENT THE MOUTH. FINISHING WITH A CRISP GREEN APPLE TONE, THIS IS A DRY ROSE TO BE ADMIRER.

WE ARE PLEASED TO RELEASE THIS WINE TO YOU AND HOPE THAT YOU CAN ADMIRE THE ROSE STYLE OF WINES. MODELED AFTER THE FAMOUS WINES FROM THE TAVEL REGION IN SOUTHERN FRANCE, OUR ROSE WINE IS PRODUCED WITH GOOD FRUIT AND BOTTLED YOUNG TO BRING YOU A DELICIOUS, HIGH-QUALITY WINE.
